\*\*\*\*\*In case of rain, please call Field Hotline for field conditions\*\*\*\*\*

Community Park has 6 fields, identified by numbers posted on backstop fences. Odd fields are to the west, in order from south to north (1 being southwest field, 5 being north west field), even fields to the east (closest to parking lot) in order from south to north (2 being southeast field, 6 being northeast field)

-**Big League Dreams (BLD)** 16333 Fairfield Ranch Rd Chino Hills, Ca 91709/ **Field Hotline (909-287-6900)** **NOTE:** In game schedule, BLD fields are listed as field #1 or field #2. These numbers are for scheduling of field space allocations for our inter-league play only. BLD, once schedule is received, will allocate the actual playing field and will be identified by Stadium name. BLD staff upon entry will have schedules and will direct your teams to their proper field based on team name and time of game.

**ALSO:** BLD is a pay to enter facility. CHPB has negotiated a deal with BLD for our inter-lock play to provide each player ~~32~~ vouchers for free entry, good for 2 adults and player. ~~For players themselves, there will be a \$1.00 charge. There was no getting around this.~~ Any additional adults will be charged for entry. All kids under 12 will be admitted free as long as they are not

players. Vouchers will be sent to your individual leagues for distribution to teams prior to scheduled games.

\*\*\*\*\*In case of Rain, BLD has a field condition update on their phone system\*\*\*\*\*

### **Inter-Lock Play Information**

On behalf of Chino Hills Pony Baseball, I want to express our sincere appreciation for all of your efforts to get this inaugural Inter-Lock season coordinated and put into motion. This will no doubt provide an atmosphere of strong competition for our players and a true sense of comradery amongst our leagues. We believe that this inter-locking concept will help strengthen each of our individual leagues as well as helping to move Pony Baseball back into the leader position for organized baseball. We hope that we will be able to grow upon this concept in coming years and make this inter-locking play a viable option for providing an outstanding level of play for our young players. Good Luck and see you out at the field!

Now for some housekeeping items to help us stay organized and consistent throughout this season:

- 1). It is each leagues responsibility to have fields ready based on schedule and games you have agreed to host. Hosting Leagues have also agreed and need to ensure they have scheduled umpires for their hosted games.
- 2). It is each team's responsibility to provide at least 2 game balls for their scheduled inter-lock games.
- 3). It has taken lots of effort to coordinate these inter-locking games with team's schedules and playing field availability. It is the responsibility of each participating league to ensure that their participating teams actually stick to schedule and show up to all scheduled games. If a team from your league has a conflict with game schedule, it is your responsibility to work out the scheduling issues out and ensure a representative team from your league shows up to fulfill this schedule. This is extremely important to maintain the integrity of the schedule and for the future success of this inter-locking play relationship.
- 4). Managers are responsible for pre-game meeting with umpire to ensure the playing rules are agreed upon and followed. \*\*\*Coin Flip to determine Visitors/ Home\*\*\*
- 5). Depending on your league rules, coaches have the option to bat all players on roster and use free substitution rules for position players (recommended). This will not override pitching substitution rules. Coaches may also elect to only bat 9 players however, must then follow the Pony Baseball All-Stars substitution rules. This should be discussed and understood prior to the game starting. Whatever is decided when game starts, teams must maintain this strategy throughout the duration of that game.
- 6). Pitching Rules- All teams will follow USA Pitch Smart Pitch Count Rules as sanctioned by USA Baseball and Pony Baseball
- 7). Bat Rules- When playing a Corona Pony opponent, the Pony Bats rules will be in effect and all players must use USA stamped bats. When playing all other opponents, USSA authorized bats may be used.
- 7). For Bronco and Pony Division games, there are no metal cleats allowed when pitching on manufactured pitching mounds.
- 8) Each team will be responsible for their own books and scorekeepers. Books are for your benefit only and scores for our games need not be reported. Standings for inter-locking games will not be kept and there will be an end of the year tournament (May 19<sup>th</sup> and 20<sup>th</sup>) hosted in Chino Hills to determine division winners (for good old fashion bragging rights and awards for the winning team's players).
- 9).Managers and coaches will be responsible for player/ parent conduct. Please remind your teams they are representing your league when traveling to participating cities and we all want to represent our leagues and pony baseball in a positive light. Games will be competitive however, the focus should be on player development and sportsmanship.
